

Whimsy

Nov. 24, 2006, - March 14, 2007

“Little boys never grow up, their toys just get bigger.”

- Jonathan Winters

The four men featured in this exhibition create whimsical pieces that reflect past times, boy-hood hobbies and desires. While all four artists work with different media and themes, each of them brings a unique sense of humor and sentiment to the pop culture images that surrounded them as young boys. Two- and three-dimensional works include references to Mickey Mouse, UFO's, sci-fi monsters, pretty girls, music, planes and exotic places. Audiences of all ages will relate to the daydreams of these men who remain forever young.
